

April 2018 District Newsletter

Dear Wittenberg-Birnamwood District Residents,

I am not sure where the time has gone! As I write this month's newsletter, three quarters of the school year has passed us by. The snow might be sticking to the ground, but preparations for spring events and end of the year activities are well underway.

I want to take this opportunity to thank everyone who continues to participate on our family night committee. Our last family night is scheduled for 5:00pm Thursday, April 26th at the Wittenberg Elementary School. The evening will begin with a mural walk that families participate in throughout the community, followed by a family chalk the walk activity to close out the evening. We strongly encourage all families to participate in our family nights scheduled during the school year. It is a continual goal of ours to better connect with our parents, students and community partners. As we continue to schedule events that support a strong school, family and community partnership, please feel free to share any other ideas and suggestions for making our community connection efforts even better. We hope that you can make it on the 26th!

Finally, often times I receive questions regarding our district demographics. I've included below a snapshot of our district attendance so parents and residents have an idea of our district enrollment. As a reminder, if you ever have any questions regarding our district, please do not hesitate to call me at 715-253-2213.
