

Dear Wittenberg-Birnamwood District Residents,

I want to thank you all for your support throughout this past school year. Our students are the recipients of a community that values education, a commitment to excellence and an institution that invests in the growth and development of every child and their interests. As we start to wrap up the end of one year and the beginning of another, I want to thank those educators that have given their heart and soul to the profession and the students they have served. We wish Stephanie Cherek (High School English), Remy Nice (Elementary Art), Erin Davids (Speech and Lanuage), Jana VanDreel (4th grade), Albie Strohm (Elementary Special Education), Amber Buss (Para-Pro), Brenda Jozwiak-Boldig (Director of Pupil Services) and Guy Steckbauer (Birnamwood Principal) all the best as they take on their new journeys and path in life. Their service to our children will always be greatly appreciated and remembered. So as we transition into the heart of summer, I encourage you to stay in touch, stay active in the many school events and activities going on daily in our schools and communities, keep reading to your little ones, and enjoy the time you have with your children at home. It won't be long and they'll be ready to come back! Have a great summer!
