

Dear Wittenberg-Birnamwood District Residents,

As we near the end of 3<sup>rd</sup> quarter I would just like to extend a few important reminders to keep mindful of.

First, if you haven't had the chance to, I encourage everyone to utilize our newly revised district website for updated information regarding all things happening in our schools. We feel it is much more modern and user-friendly than the previous version and allows visitors to quickly navigate to where they need to go.

That being said, if you scroll to the bottom of the home page, you can find a link to our already posted 2018-19 school calendar. For those of you that like to plan ahead well in advance, this is now available to you.

Spring Break is scheduled for the week of March 26<sup>th</sup> – 30<sup>th</sup>. I hope you all take the opportunity to recharge and for our students and staff, we are looking forward to coming back strong to make the final home stand a great one in closing out the 2017-18 school year!

Soon, parents will be receiving information on Summer School 2018. We are excited to report that we again have a number of staff returning to teach summer school and many courses available to students of all ages. It is important to remind all parents to send your children's summer school information in by the deadline requested as many decisions are made shortly after related to final approval of class offerings and requests. This year, we will not be charging any fees for this program!

Finally, I hope you all have an enjoyable Easter holiday! Please continue to contact the school regarding your children's progress. Together, we can ensure they achieve amazing things!

Garrett Rogowski
