

Sample SLD Notification for Schools as Required by PI 11.36(6)(c)2

Wittenberg-Birnamwood School District Residents:

Wisconsin's rule for identifying students with specific learning disabilities (SLD) has changed. No later than December 1, 2013, all initial SLD evaluations of public school students will use information from interventions to make eligibility decisions.

This article is to notify you that beginning on December 1, 2013 initial SLD evaluations at Birnamwood Elementary K-8, Wittenberg Elementary K-8 and Witt-Birn High School will begin using information from a student's response to intensive, scientific research based or evidence based interventions when making special education eligibility decisions. Progress monitoring data from intensive interventions will be used to determine insufficient progress for all SLD evaluations of public school students.

If you have any questions or would like more information, please refer to our district webpage or contact Brenda Jozwiak-Boldig, Director of Pupil Services, at 253-2213. Thank You.
