Jeremy “Minnow” Fischer & Dustin White Memorial Scholarship Application (minimum \$500)

Jeremy “Minnow” Fischer was a graduate of Antigo High School who went on to complete his master carpenter apprenticeship through North Central States Regional Council of Carpenters Local 310. He tragically passed away on November 7, 2018.

Jeremy, or “Minnow” as he preferred to be called, was a kind, generous, loyal and hard-working man who gave generously of himself. He lived life to the fullest, made friends wherever he went and liked to play jokes on the people he loved. He was an avid outdoorsman and houndsman.

Minnow enjoyed deer hunting in the fall and bear hunting with his loyal pack of Plott hounds every summer. He pushed everyone around him to be their best and was a champion of those who were less fortunate. Minnow built many beautiful and incredible buildings throughout his career as a carpenter apprentice, journeyman carpenter, carpenter foreman and finally as a Project Superintendent with Miron Construction; but he was most proud of the family he built, especially his two children. He was a cherished husband, father, son, brother and friend, and is deeply missed by all who knew and loved him.
