

Construction Weekly Update

Week of December 9, 2019

Wittenberg Birnamwood Schools

Enviro Building wall framing

Enviro building roof trusses

Witt Elem shoveling out

Witt Elem Roof demo

Update

High School Enviro building will see roof trusses and sheathing next week, along with the start of demolition and mechanical work inside the industrial arts area.

Witt Elem has the fire wall construction going up to make the building ready for structural steel, which is scheduled to arrive Thursday.

Birnamwood Elementary structural steel is schedule to arrive Thursday. Iron workers will set the steel and then followed by exterior stud walls.

About Hoffman

Hoffman Planning, Design & Construction, Inc. is an integrated Total Project Management firm based in Appleton, Wisconsin. We partner with our clients to create innovative designs and build high quality, functional, attractive, energy efficient facilities at costs at or below projects delivered using traditional design and construction methods. Currently in our fifth generation of leadership, Hoffman continues to deliver the same expert service and superior value our clients have come to appreciate.
