

Construction Weekly Update

Week of August 17th, 2020 - Wittenberg Birnamwood Schools

Ag Building Classrooms

HS Science Rooms

HS Corridors

Update:

WBSD – Birnamwood ISS room is complete. Witt Elem corridor ceilings and lights are complete. The Ag building has a couple items to clean up, otherwise the staff has been gradually moving in. HVAC progress continues with wiring/controls being installed and areas of the building are being tested. Finishes (ceilings, lights, paint touch up, etc.) continue to wrap up. About 50% of the construction has been quality checked and more will follow in the next week.
