

May 2017 District Newsletter

As we approach the end of the 2016-17 school year, I would like to take this opportunity to congratulate our Graduating Class of 2017 on their accomplishments and thank them for their commitment to excellence here at Wittenberg-Birnamwood. It has truly been a pleasure seeing all of our graduates grow into capable young adults that are prepared for success in whatever their chosen interests are. We are proud of our graduating students for the leadership they've provided, for the character they've represented our district with, and for reaching their many goals throughout their educational experience here in Wittenberg-Birnamwood. On behalf of the district staff, I wish to congratulate all of you on your accomplishments, and I wish all of you great success in your future. I hope that all of our students have enjoyed their journey here and will always consider Wittenberg-Birnamwood as their home. Finally, thank you to our parents, families and friends of our graduates for the support and guidance you have provided to each of them along this journey. The PK-12 experience happens in the blink of an eye, and this upcoming celebration of graduation is just the culmination of a journey we all realize comes and goes before we know it. Embrace this last month of school, your friends, family and all that being a student here at Wittenberg-Birnamwood provides. I wish you all the best as you enter another exciting chapter in your lives! We are very proud of all of you!
