NEWS AND NOTES FROM THE SUPERINTENDENT

Greetings and welcome to the start of the 2021-22 school year! It is with great anticipation and excitement for the new school year that I hope this letter finds you in! We are eagerly looking forward to getting back to school as we have known it to be with all the opportunities and events that our students take part in and that our district and communities embrace. As we prepare for the arrival of our students, many upgrades are currently taking place throughout the district in our buildings and grounds with the intent to provide them with an even more engaging experience. New playground structures have been added to both of the elementary schools, new LED lighting put in place in all of our hallways and corridors, remodeled and new bathroom facilities have been completed at the high school and we have expanded our 1:1 chrome book resources to all students in grades 1-12! These are just some of the changes that have occurred over the course of the summer.

The 2021-22 school year calendar is available and can be downloaded from our school web site. Our school days will be back to normal pick up and drop off times, with the exception of most Fridays. Students will be dismissed at 2:30pm on Fridays to allow for staff professional learning community time. On these days from 2:45pm – 3:30pm staff will work collaboratively on the generative and important work of assessing student performance, developing team plans designed to assist our students with additional support needed to close achievement gaps and come together as teams that take ownership of all our students' growth as both learners and productive citizens.

Finally, I hope that you are all finding time to enjoy the summer and spend much of it with those friends and family that you look forward to sharing your time with. It is so important to find that balance that allows us to be both productive and happy. Come September 1st, we will be ready here at Wittenberg-Birnamwood Schools to do just that for every child that walks through our doors. Thank you for your continued support and partnership. Enjoy the rest of your summer and please don't hesitate to stop by or call if there is anything we can be of assistance with.

Sincerely,

Garrett Rogowski

Notice of 3 Year Old Screening School Visit

The Wittenberg-Birnamwood School District will be holding a 3 Year Old Screening School Visit on Tuesday, August 24, 2021 and Wednesday, August 25, 2021. Screening will be from 8:00 a.m. to 12:00 p.m. both days and will be held at the Wittenberg Elementary School.

The 3 Year Old Screening School Visit is an opportunity for young children to come to school and experience play with story and project times. School staff will play and interact with children while looking at development skills. Parents have an opportunity to meet other parents and talk to school staff about any questions or concerns. Development information and fun ideas of ways to play and learn with your child at home will be available.

Information will be sent out to families with 3 year olds that the school district is aware of from the census. If you have a child that will be 3 years old by September 1, 2021 and did not receive any information by Monday, August 10, 2021, please call Joy at the District Office at 715-253-2213.

Wittenberg Birnamwood Title I District Plan

What is Title I?

Title I is a federally-funded program that provides qualifying schools with financial support for additional instruction in math and reading for children at risk. As a Title I district we need to develop a plan for addressing our needs in these areas.

Our Goal:

By the end of the 2021-2022 school year, the number of Wittenberg-Birnamwood third grade students who reach the proficient level on the WI Forward Reading Assessment will match the state average.

What's Next?

Over the next year or so we will be working on K-3 curriculum and assessment practices that will help our students improve their reading achievement.

We are interested in hearing more from our parents and community members, so if you'd like to join our team, please contact Jackie Berndt, District Literacy Coordinator at jberndt@wittbirn.k12.wi.us or call any school office.

- If you previously registered your child, **DO NOT create a new account**. If you cannot remember the email you used, email me. If you can't remember your password, you can reset it.
- If you have never registered, create a new account. If you do not get a verification email, check your spam folder.
- Student ID # - You may access your Student ID # through your Skyward account. Once you log into Skyward family access, click on Student Information on the left. Your Student ID # is listed as "Other ID".

STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS

The following are the minimum required immunizations for each age and grade level according to the Wisconsin Student Immunization Law. These requirements can be waived for health, religious, or personal conviction reasons. Additional immunizations may be recommended for your child depending on his or her age. Please contact your doctor or local health department to determine if your child needs additional immunizations.

Grade/Age	Number of Doses					
Pre-K (ages 2 through 4 yrs) ¹	4 DTaP/DTP/DT ²	3 Polio	3 Hepatitis B ⁶	1 MMR ⁷	1 Varicella ⁸	
Kindergarten through Grade 5	4 DTaP/DTP/DT/Td ^{2,3}	4 Polio ⁵	3 Hepatitis B ⁶	2 MMR ⁷	2 Varicella ⁸	
Grades 6 through 12	4 DTaP/DTP/DT/Td ²	1 Tdap ⁴	4 Polio ⁵	3 Hepatitis B ⁶	2 MMR ⁷	2 Varicella ⁸

- Children 5 years of age or older who are enrolled in a Pre-K class should be assessed using the immunization requirements for Kindergarten through Grade 5, which would normally correspond to the individual's age.
- D = diphtheria, T = tetanus, P = pertussis vaccine. DTaP/DTP/DT/Td vaccine for all students Pre-K through 12; Four doses are required. However, if a student received the 3rd dose after the 4th birthday, further doses are not required. **Note:** A dose four days or less before the 4th birthday is also acceptable.
- DTaP/DTP/DT vaccine for children entering Kindergarten: Each student must have received one dose after the 4th birthday (either the 3rd, 4th, or 5th dose) to be compliant. **Note:** a dose four days or less before the 4th birthday is also acceptable.
- Tdap is an adolescent tetanus, diphtheria, and acellular pertussis combination vaccine. If a student received a dose of a tetanus-containing vaccine, such as Td, within five years before entering the grade in which Tdap is required, the student is compliant and a dose of Tdap vaccine is not required.
- Polio vaccine for students entering grades Kindergarten through 12; Four doses are required. However, if a student received the 3rd dose after the 4th birthday, further doses are not required. **Note:** a dose four days or less before the 4th birthday is also acceptable.
- Laboratory evidence of immunity to hepatitis B is also acceptable.
- MMR is measles, mumps, and rubella vaccine. The first dose of MMR vaccine must have been received on or after the 1st birthday. Laboratory evidence of immunity to all three diseases (measles and mumps and rubella) is also acceptable. **Note:** A dose four days or less before the 1st birthday is also acceptable.
- Varicella vaccine is chickenpox vaccine. A history of chickenpox disease or laboratory evidence of immunity to varicella is also acceptable.

Welcome to the 2021-22 school year! As we get back into the school routine or get used to it for the first time, here is a “back to school” checklist for your child’s health and safety at school.

- Share health conditions, medication needed at school, and medical orders for school with the school nurse.
- Make sure immunizations (or waivers) are up to date.
- Monitor your child for illness, keep home when sick and seek medical care as needed.
- Encourage handwashing and covering sneezes and coughs to prevent the spread of illness.
- Assist with good hygiene habits- bathe or shower daily, comb hair, brush teeth, wear clean cloths, cover open sores.
- Establish a bedtime and wake up routine for good sleep habits.
- Develop a homework and after school activity routine.
- Eat breakfast every day at home or at school.
- Help with making appropriate clothing choices for school. (Example: wear comfortable and safe shoes- **not** flip flops and dress according to the weather)

Please contact me about your child's health and medical needs. I can be reached at any of the school offices in the district. Becky Wendel, Wittenberg Birnamwood School District Nurse

WI State Law Immunization Requirements: Please refer to the grade level immunization requirements chart to see which vaccines your child needs at this time. Alternatively, parents are allowed by law to sign vaccination waivers for their children to be compliant with the state immunization law.

Listed below are other recommended vaccinations for school age children. Talk with your child’s health care provider for more information about timing for these vaccinations.

Meningococcal vaccine: protects against some of the bacteria that cause meningococcal disease and meningitis. The vaccine is recommended at age 11-12 and again at age 16.

Human Papillomavirus (HPV) vaccine: protects against the infections that can cause HPV cancer. The recommendation is for boys and girls to complete the two dose vaccine series by the age of 14 or a three series if started at age 15 or older.

Annual flu vaccine: protects against infection by influenza viruses. The vaccine is recommended for most school aged children every year.

Special note due to COVID-19 pandemic: WBSD continues to consult with local health departments and will continue to review updates and guidance from WI DHS and CDC for COVID-19 management strategies in the school setting which may include exclusion criteria per Wisconsin Communicable Diseases requirements, keeping sick children home from school, notification and possible quarantine of close contacts in the school setting, and COVID testing options.

COVID-19 Vaccination: Currently, the FDA has provided Emergency Use Authorization for COVID vaccination of individuals ages 12 and older. Vaccination is free and is recommended by the CDC. Contact your child’s health care provider if you have specific questions about vaccinating your child.

If your child will not be riding the bus to school in the morning, please contact the bus garage at

715-253-2934.

Thank you!

3:30 to 6:00 pm

Dear Wittenberg Families,

It is almost time for Back to School! Our staff would like to welcome our new families to the community and send a warm hello to our returning families and students. We are getting ready and looking forward to a great school year.

The Wittenberg building will open at 7:45 am. Students will be able to enter the building and prepare for classes at that time. Buses drop students off on the Webb Street entrance and bus pick up is on Prouty Street. Parent pick ups at the end of day will be on Webb Street to prevent any traffic flow problems with the buses.

The school day is **7:55 until 3:10 Monday through Thursday** and **7:55-2:30 Fridays**. The early release on Fridays allows our teaching staff to collaborate and work in Professional Learning Communities weekly.

Our open house is Monday August 30, from 3:30-6:00. Families are encouraged to come in to meet their child's teachers, see the classrooms, and drop off registration fees. We have also been given a donation of backpacks and school supplies for families that may need help. These supplies will be made available on a first come, first serve basis during the open house.

Our PBIS (Positive Behavior Intervention System) theme this year is "Be a Superhero". As a school community, we'll explore and celebrate ways to be a superhero in our lives and interactions with each other! Students are recognized for their outstanding hero traits. Group activities and rewards are shared throughout the year to encourage students to build positive character traits and relationships in and out of the classroom.

On behalf of the Wittenberg staff, have a wonderful month of August and we are excitedly looking towards the fall!

Be a Superhero to others!

Be Respectful,

Be Responsible,

Be Safe,

Be Kind!

Wittenberg-Birnamwood School District 2021-22 Food Service Program Information

Dear Parent/Guardian:

The Wittenberg-Birnamwood School District will continue to participate in the Seamless Summer Option (SSO) for the 2021-22 school year. Every student is eligible to receive free breakfast and free lunch through this program. Please note this only includes the regular breakfast and lunch program. Snack milk (unless eligible for free/reduced meals), milk with cold lunch, and a la carte purchases are not included and will be charged at their normal prices.

Ala carte items (available at high school only - prices vary) or extra milks/snack milk (\$0.35) purchased are an additional cost. If you do not want your child to be able to purchase any extra items, please notify me and I will put an ala carte stop on the account. Please see the District Meal Charge Policy for detailed information regarding negative account balances. Please note all purchases are cumulative over a student's school career. Any paid/unpaid balances will be transferred to the following year.

Payments can be sent to school with your child or mailed directly to me at: Wittenberg-Birnamwood School District, 400 W. Grand Ave., Wittenberg, WI 54499, Attn: Food Service Acct. *If paying by check, please identify student names on the check memo line.*

Please see the included document 'Food Services - Skyward Family Access' for information regarding options available for monitoring your food service account balance, making online payments using RevTrak, and completing a Free & Reduced Priced Meals application during the online enrollment process.

Reminder - A new Free & Reduced Priced Meals application needs to be completed for each school year. Please take the time to fill out the application completely and accurately; we cannot process an application that doesn't have all the required information provided. Paper applications are available at each school or can be printed directly from the District's website (www.wittbirn.k12.wi.us - see Lunch Menu and Food Services Section under the Families heading).

If you have any questions regarding the meal account system, please contact me at kmoede@wittbirn.k12.wi.us or 715-253-2211 ext. 1106.

Thank you,
Kim Moede

FREE AND REDUCED SCHOOL MEAL APPLICATIONS

Applications for Free and Reduced Price Meals can be submitted to the District at any time during the school year. Paper copies are available in all the school offices and a copy is also available to print from the District's website.

You must submit an application each year to be considered for free or reduced price meals. Even if your child received free or reduced price meals last year, you must submit a new application this year. Any balance owed prior to being determined eligible will remain the responsibility of the parent/guardian.

ONLINE PAYMENT OPTION

The District offers parents the option of making online payments to your child's account using a debit or credit card. Login as well as online payment instructions can be found at: (<http://www.wittbirn.k12.wi.us/district/food-services.cfm>). The Wittenberg-Birnamwood School District is participating in the Seamless Summer Option for the 2021-22 school year* (this includes only the regular breakfast + lunch program; snack milk and a la carte purchases are not included and are charged at their normal prices).

Enclosed you will find the 2021-22 Wittenberg-Birnamwood School District Free & Reduced Meals Application. **Please be sure to read the instructions that are included with the application.** Meals prices for this year are as follows:

2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not been told your children will get free meals, please call or e-mail **Bill Hass (715-253-2211 or bhass@wittbirn.k12.wi.us)**
3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. *Use one Free and Reduced Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **Wittenberg-Birnamwood School District, Attn: Kim Moede, 400 W. Grand Ave., Wittenberg, WI 54499**

4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE OR REDUCED PRICE MEALS? Please read the letter you received carefully and follow the instructions. If your letter indicated you qualify for free meals, then no application is needed. If any children in your household were missing from your eligibility notification, contact **Kim Moede (715-253-2211 ext. 1106 or kmoede@wittbirn.k12.wi.us)** immediately. If your household was notified it qualified for reduced price meals, we encourage you to complete an application to potentially qualify for free meals based on household size and income.
5. DO I NEED TO FILL OUT AN APPLICATION IF MY CHILD ATTENDS A SCHOOL PARTICIPATING IN THE SEAMLESS SUMMER OPTION (SSO) OR COMMUNITY ELIGIBILITY PROVISION SCHOOL (CEP)? If your child attends a school that participates in SSO OR CEP, receipt of free breakfast and lunch meals does not depend on returning this application. However, this information is necessary for other programs and may be used to determine if your household is eligible for additional benefits.
6. CAN I APPLY ONLINE? Yes, you are able to complete an online application as part of the annual school enrollment process in Skyward. You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit the link "**Food Service – Skyward Family Access Options**" at www.wittbirn.k12.wi.us/district/food-services.cfm to learn more about the online application process. Contact **Kim Moede (715-253-2211 ext. 1106 or kmoede@wittbirn.k12.wi.us)** if you have any questions about the application process.
7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year, through **October 13, 2021**, or when a new eligibility is determined. You must submit a new application unless the school told you that your child is eligible for the new school year. If you do not submit a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
8. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals, but it is based on income. Please submit an application.
9. MY CHILD(REN) QUALIFIES FOR BADGERCARE PLUS OR MEDICAID. CAN MY CHILD GET FREE MEALS? Children with BadgerCare Plus, Medicaid, or subsidized insurance may be eligible for free or reduced price meals, but it is based on household income and household size. Please submit an application to determine if your household qualifies.
10. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report.
11. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed or experience a financial hardship may become eligible for free and reduced price meals if the household income drops below the income limit.
12. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Garrett Rogowski (400 W. Grand Ave., Wittenberg, WI 54499, 715-253-2213, grogowski@wittbirn.k12.wi.us)**.
13. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
14. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
15. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

16. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Do not include any combat pay resulting from deployment as income.
17. WHAT IF THERE IS NOT ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper and attach it to your application.
18. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for FoodShare or other assistance benefits, contact your local assistance office or call 1-800-362-3002.

If you have other questions or need help, call 715-253-2211.

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS for 2021-22 School Year

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in the Wittenberg-Birnamwood School District. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order. If at any time you are not sure what to do next, please contact Kim Moede at 715-253-2211 ext. 1106 or kmoede@wittbirn.k12.wi.us

If your child attends a school participating in the (SSO) Seamless Summer Option (Wittenberg-Birnamwood School District is participating in the SSO program for the 2021-22 school year), receipt of free breakfast and lunch meals does not depend on returning this application; however, this information is necessary for other programs.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12			
Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.			
Who should I list here? When filling out this section, please include ALL members in your household who are:			
• Children grades 12 or under AND are supported with the household's income; and • In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth, or enrolled in a Head Start program.			
A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children in household than lines on the application, attach a second piece of paper with all required information for the additional children.	B) Enter the grade and the name of the school the child attends or mark n/a if not in school.	C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the children's names. If you are ONLY applying for foster children, after finishing STEP 1, go to STEP 4. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.	D) Are any children homeless, migrant, runaway or enrolled in a Head Start program? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway or Head Start" box next to the child's name and complete all steps of the application.
STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN FoodShare, W-2 Cash Benefits OR FDIPIR?			
If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:			
• The Supplemental Nutrition Assistance Program (SNAP) or FoodShare. • Temporary Assistance for Needy Families (TANF) or W-2 Cash Benefits. • The Food Distribution Program on Indian Reservations (FDPIR).			
A) If no one in your household participates in any of the above listed programs:	B) If anyone in your household participates in any of the above assistance programs:		
• Leave STEP 2 blank or check "No" and go to STEP 3.	• Write a case number and name of the assistance program you or any member of the household participates in for FoodShare, W-2 Cash Benefits, or FDIPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact your case worker. Medicaid and BadgerCare case numbers do NOT qualify for free or reduced price meals. • Go to STEP 4.		
STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS			
How do I report my income?			
• Use the charts titled "Sources of Income for Children" and "Sources of Income for Adults," printed on the back side of the application form, to determine if your household has income to report. • Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents. Gross income is the total income received before taxes. Many people think of income as the amount they "take home" (listed as "net pay" on paycheck stub) and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.			

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the boxes to the right of each field.

3.A. REPORT INCOME EARNED BY CHILDREN

A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's personal income if you are applying for them together with the rest of your household.

What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

3.B. REPORT INCOME EARNED BY ADULTS

List adult household members' names.

- Print the name of each household member in the boxes marked "Name of Adult Household Members (First and Last)." When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
 - People who live with you but are not supported by your household's income AND do not contribute income to your household.
 - Infants, children and students already listed in **STEP 1.**

C) Report earnings from work. Report all total gross income (before taxes) from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income.

What if I am self-employed? Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.

F) Fluctuating Income. For seasonal workers and others whose income fluctuates and usually earn more money in some months than others. In these situations, project the annual rate of income and report that. This includes workers with annual employment contracts but may choose to have salaries paid over a shorter period of time; for example, school employees.

D) Report income from public assistance/child support/alimony/SSI/VA benefits.

Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.

E) Report income from pensions/retirement/all other income.

Report all income that applies in the "Pensions/Retirement/Social Security/All Other Income" field on the application.

G) Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in **STEP 1** and **STEP 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

H) Provide the last four digits of your Social Security Number (SSN). An adult household member must enter the last four digits of their SSN in the space provided. You are eligible to apply for benefits even if you do not have a SSN. If no adult household members have a SSN, leave this space blank and mark the box to the right labeled "Check box if no SSN."

STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

An adult member of the household must sign the application. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.

A) Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

B) Print or sign your name.
The adult filling out the application must print or sign their name in the signature box.

C) Return completed form to: Wittenberg-Birnbaum School District, Attn: Kim Moede, 400 W. Grand Ave., Wittenberg, WI 54499

D) Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals.

A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer.

ATTENDANCE – Policy 5200

State law requires the Board of Education to enforce the regular attendance of students. Further, the Board recognizes that the District's educational program is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

The District Administrator shall require, from the parent of each student or from an adult student, who has been absent for any reason either a written or oral notification stating the reason for the absence and the time period covered by the absence. The Board reserves the right to verify such statements and to investigate the cause of each single absence; or prolonged absence.

ADMINISTRATION OF MEDICATION/EMERGENCY CARE – Policy 5330

The administration of medication to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication were not administered during school hours, or the child is disabled and requires medication to benefit from his/her educational program.

Before any prescribed medication may be administered to any student during school hours, the Board shall require the written instructions from the child's practitioner accompanied by the written authorization of the parent.

Nonprescription drug products may be administered to any student during school hours only with the prior written consent of the parent. Substances, which are not FDA approved (i.e. natural products, food supplements), will require the written instruction of a practitioner and the written consent of the parent. Only those nonprescription drugs that are provided by the parent in the original manufacturer's package which lists the ingredients and dosage in a legible format may be administered.

Only medication in its original container; labeled with the date, if a prescription; the student's name; and the exact dosage will be administered. Parents, or students authorized in writing by their practitioner and parents, may administer medication.

All prescription medication shall be kept in a locked storage case in the school office unless the medication is an emergency medication which the student is authorized to carry and self-administer by authorization of both the parent and practitioner, and the possession of such medication by the student in school is not prohibited by law or regulation.

STUDENT RECORDS – Policy 8330

In order to provide appropriate educational services and programming, the Board must collect, retain, and use information about individual students. Simultaneously, the Board recognizes the need to safeguard students' privacy and restrict access to students' personally identifiable information. The Board is responsible for the records of all students who attend or have attended schools in this District. Only records mandated by the State or Federal government and necessary and relevant to the function of the School District or specifically permitted by this Board will be compiled by Board employees.

Student records shall be available only to students and their parents, eligible students, designated school officials who have a legitimate educational interest in the information, or to other individuals or organizations as permitted by law.

Directory Information

Each year the District Administrator shall provide a public notice to students and their parents of the District's intent to make available, upon request, certain information known as directory information. The Board designates as student directory information: a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and/or weight, if a member of an athletic team; dates of attendance; date of graduation; degrees and awards received; name of the school most recently previously attended.

Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within fourteen (14) days After receipt of the District Administrator's annual public notice or enrollment of the student into the District if such enrollment occurs after the annual public notice. Any parent or eligible student who refuses to allow disclosure of directory data and who participates in the extra-curricular activity must complete a release form, which includes a limitation on the refusal to disclose directory information obtained during the course of the student's participation in extra-curricular activities.

STUDENT CODE OF CLASSROOM CONDUCT–Policy 5500

Respect for law and for those persons in authority shall be expected of all students. This includes conformity to school rules as well as general provisions of law regarding minors. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall also be expected of all members of the school community.

Respect for real and personal property; pride in one's work; achievement within the range of one's ability; and exemplary personal standards of courtesy, decency, and honesty should be maintained in the schools of this District.

The District Administrator shall establish procedures to carry out Board policy and philosophy, and shall hold all school personnel, students, and parents responsible for the conduct of students in schools, on school vehicles, and at school-related events.

Student conduct on or adjacent to school premises, on school vehicles, and at school-related events and activities shall be governed by the rules and provisions of the Student Code of Classroom Conduct. In addition, student conduct on internet-based social media outlets, such as FaceBook, Twitter, MySpace, YouTube, etc. when such conduct forms a sufficient connection to school or staff, is governed by the Code of Conduct. This Code of Classroom Conduct shall be reviewed and approved periodically.

ENGLISH LANGUAGE PROFICIENCY – Policy 2260.02

The Board recognizes that there may be students whose primary language is not English residing within the District. With that in mind, the Board shall provide appropriate identification and transition services for District students who possess limited English language proficiency. The purpose of these services is to develop English language skills that will enable the students to function successfully in an all English classroom and complete the District's required curriculum. These services shall include the identification of students who are English Learners (EL), the implementation of curricular and instructional modifications, the assessment of the EL student's academic progress, identification of EL students that achieve English Language Proficiency (ELP), and continued monitoring of ELP students. The degree of modification, the duration and the type of services shall be determined individually and shall be based on the needs of each student. The parent(s) of EL students shall be notified of student testing arrangements and of educational programs and services available to help their children improve their English language skills and academic achievement. The notifications shall be consistent with legal requirements and presented in such manner as to ensure that the student's parent(s) understands them.

HOMELESS STUDENTS – Policy 5111.01

Children who are identified as meeting the Federal definition of "homeless" will be provided a free appropriate public education (FAPE) in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless. The District shall establish safeguards that protect homeless students from discrimination on the basis of their homelessness. The District shall regularly review and revise its policies, including school discipline policies that impact homeless students, including those who may be a member of any of the Protected Classes (Policy 2260)

ASSIGNMENT WITHIN DISTRICT – POLICY 5120

The Board of Education directs that the assignment of students to schools within this District be consistent with the best interests of students and the best use of the resources of this District.

The Board shall determine periodically the school attendance areas of the District and shall expect the students within each area to attend the school so designated.

The District Administrator shall periodically review existing attendance areas and recommend to the Board such changes as may be justified by: considerations of safe student transportation and travel; convenience of access to schools; financial and administrative efficiency; the effectiveness of the instructional program; a wholesome and educationally sound balance of student populations.

No assignment to schools or attendance schedules shall discriminate against students on the basis of gender, race, sex, color, religion, disability, or national origin.

The District Administrator may assign a student to a school other than that designated by the attendance area when such exception is justified by circumstances and is in the best interest of the student.

Every effort shall be made to continue a student in the elementary school to which s/he is initially assigned.

Wherever possible and advisable in the interests of the students, siblings shall be assigned to the same building.

The District Administrator shall assign incoming transfer students to such schools, grades, and classes as may afford each student the greatest likelihood of realizing his/her fullest educational potential.

The principal shall assign students in his/her school to appropriate grades, classes, or groups. This action shall be based on consideration of the needs of the student as well as the administration of the school.

SEARCH AND SEIZURE – POLICY 5771

The Board acknowledges the need for in-school storage of student possessions and shall provide storage places, including desks and lockers, for that purpose. Desks and lockers are public property and school authorities may make reasonable regulations regarding their use. The District retains ownership and possessory control of student desks and lockers and the same may be searched at random by school personnel at any time. A showing of reasonable cause or suspicion is not a necessary precondition to a search under this paragraph. Students shall not have an expectation of privacy in lockers, desks, or other school property as to prevent examination by a school official. The Board directs the school principals to provide students with written notice of this policy at least annually and that routine inspections be done at least annually of all such storage places. The Board directs that the searches may be conducted by the: District Administrator; building principals; Dean of Students; School Resource Office.

WEAPONS – POLICY 5772

The Board prohibits students from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the District for the purpose of school activities approved and authorized by the District including, but not limited to, property leased, owned, or contracted for by the District, a school-sponsored event, or in a District vehicle, to the extent permitted by law without the permission of the District Administrator. The term "weapon" means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. The District Administrator will refer any student who violates this policy to the student's parents and may also make a referral to law enforcement. The student may also be subject to disciplinary action, up to and including expulsion.

DRUG PREVENTION – POLICY 5530

The Board recognizes that the misuse of drugs is a serious problem with legal, physical, and social implications for the entire school community.

For purposes of this policy, "drugs" shall mean: all dangerous controlled substances as so designated and prohibited by Wisconsin statute; all chemicals which release toxic vapors; all alcoholic beverages; any prescription or patent drug, except those for which permission to use in school has been granted pursuant to Board policy; "look-alikes or synthetics"; anabolic steroids; any other illegal substance so designated and prohibited by law.

The Board prohibits the use, possession, concealment, or distribution of any drug and any drug-paraphernalia at any time on District property or at any District-related event.

The District Administrator shall ensure that the warning notice concerning anabolic steroids is installed and properly maintained in each of the District's locker rooms or athletic dressing areas. Education shall be intended to develop awareness of drug abuse, including prescription drug abuse, and prevention; the relationship between highway safety and the use of alcohol and controlled substances, including prescription drugs; and the relationship between youth suicide and the use of alcohol and controlled substances, including prescription drugs.

USE OF TOBACCO BY STUDENTS – POLICY 5512

The Board recognizes that the use of tobacco products, as well as other nicotine delivery systems, such as electronic smoking devices, are a health, safety, and environmental hazard for students, staff, visitors, and school facilities. The Board is acutely aware of the serious health risks associated with the use of these products, both to users and non-users, and that their use or promotion on school grounds and at off-campus school-sponsored events is detrimental to the health and safety of students, staff, and visitors. The Board also believes accepting tobacco industry gifts, or materials will send an inconsistent message to students, staff, and visitors. It will be a violation of this policy for any student of the District to use, consume, display, promote, or sell any tobacco products, tobacco industry brand, tobacco-related devices, imitation tobacco products, or electronic smoking or vaping devices, regardless of content at any time on school property or at off-campus, school-sponsored events. The Board authorizes the District Administrator to take reasonable measures related to the Board's expectation that the promotion and display of tobacco and related products on school property or at off-campus, school-sponsored events is prohibited.

SUSPENSION AND EXPULSION – POLICY 5610

SUSPENSION The District Administrator, the principal, or a teacher designated by the District Administrator may suspend a student for up to five (5) school days or, if a notice of expulsion hearing has been sent, for up to fifteen (15) consecutive school days, or ten (10) consecutive school days for each incident if the student is eligible for special education services under Chapter 115, Wis. Stats.

The suspension must be reasonably justified based upon the grounds authorized under Sec. 120.13, Wis. Stats., which include, but are not limited to: noncompliance with school rules or Board rules; knowingly conveying any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives; conduct by the student while at school or while under the supervision of a school authority that endangers the property, health, or safety of others; conduct while not at school or while not under the supervision of a school authority that endangers the property, health, or safety of others at school or under the supervision of a school authority; or conduct while not at school or while not under the supervision of a school authority that endangers the property, health, or safety of any employee or Board member of the District in which the student is enrolled. The District Administrator, the principal, or a teacher designated by the District Administrator shall suspend a student if the student possessed a firearm, as defined in 18 U.S.C. 921(a)(3), while at school or while under the supervision of a school authority.

The parent of a suspended minor must be given prompt notice of the suspension and the reason for the suspension.

EXPULSION Under this policy, expulsion shall mean the Board will not permit a student to attend school at all, including any school-sponsored events or activities, for a specified period of time. If the student is expelled, the Board will determine the length of the expulsion period, which may extend at a maximum to the student's 21st birthday. The Board's expulsion order may include the opportunity for the student to return to school prior to the expiration of the term of expulsion under a specified set of early reinstatement condition(s) which are related to the conduct for which the student was expelled. The condition(s), once set forth in an expulsion order, shall be administered at the discretion of the District Administrator who shall have the authority to deny early reinstatement if any early reinstatement condition is not

met prior to reinstatement or to revoke it for the remainder of the expulsion period if any enrollment conditions applicable to the student's attendance during a period of expulsion under early reinstatement, or conditional enrollment, are deemed by the District Administrator to have been violated. The decision to revoke a student's conditional enrollment shall be explained in writing. The student or student's parent may request a conference with the District Administrator within five (5) school days of a decision to revoke early reinstatement. The District Administrator shall meet with the student and/or parents within five (5) school days of a request. The District Administrator's decision is final.

The District shall refer any student who brings a firearm (as defined in 18 U.S.C. 921(a)(3)) or a weapon to school to law enforcement.

Prior to expelling a student, the Board shall provide the student with a hearing. Prior written notice of the hearing must be sent separately to both the student and if the student is a minor, to his/her parent(s) or guardian(s). The notice must be sent at least five (5) days prior to the date of hearing, not counting the date notice is sent. The notice must also satisfy the requirements of Sec. 120.13(1) (c)4, Wis. Stats. An expelled student or, if the student is a minor, the student's parent(s) or guardian(s) may appeal the Board's expulsion decision to the Wisconsin Department of Public Instruction. An appeal from the decision of the Department may be taken within thirty (30) days to the circuit court for the county in which the school is located.

STUDENT ASSESSMENT – POLICY 2623

The Board of Education shall assess student achievement and needs in all areas of the curriculum in order to determine the progress of students and to assist them in attaining District goals.

Each student's proficiencies and needs will be assessed by staff members upon his/her entrance into the District and annually thereafter. Procedures for such assessments will include, but need not be limited to, teacher observation techniques, cumulative student records, student performance data collected through standard testing programs, student portfolios, and physical examinations.

PARENTS' RIGHT TO KNOW = POLICY 2261.02

In accordance with the requirement of Section 1111 of Title I, for each school receiving Title I funds, the District Administrator shall make sure that all parents of students in that school are notified that they may request, and the District will provide the following information on the student's classroom teachers: State qualification and licensing criteria for the grade level and subject areas they are teacher; under any emergency or provisional status in which the State requirements have been waived; undergraduate major of the teacher and the area of study; qualifications of any paraprofessional providing services to their children and in addition parents shall be provided information on the level of achievement of their children on the required State academic assessments; timely notice if the parent's child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not "highly qualified"

SCHOOL DAY – POLICY 8220

The Board of Education authorizes the school day to be arranged and scheduled by the administration. It is to offer the maximum education for the time spent within the limitations of school facilities and the laws and regulations of the State.

The District Administrator may close the schools, delay the opening of school, or dismiss school early when such

alteration in the regular session is required for the protection of the health and safety of students and staff members. S/He shall prepare rules for the proper and timely notification of concerned persons and parents in the event of any emergency closing of the schools.

The District Administrator shall have the authority to determine which school-related activities may be conducted if the school is closed for a period of time. S/He shall prepare appropriate guidelines for communication to students, parents, and others regarding the scheduling and conduct of such activities.

SCHOOL VISITORS – POLICY 9150

The Board welcomes and encourages visits to school by parents, other adult residents of the community and interested educators. But in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to establish visitor guidelines. In accordance with 120.13(35), Wis. Stats., the District Administrator has the authority to establish conditions for entering or remaining in a District building, prohibit the entry of any person to a school of this District or to require a visitor to leave when there is reason to believe the presence of such person would be or is detrimental to the good order of the school. If such an individual refuses to leave the school grounds or creates a disturbance, the building principal is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.

PERSONAL COMMUNICATION DEVICES – POLICY 5136

Students may use PCDs (Personal Communication Devices) before and after school, during their lunch break, in between classes as long as they do not create a distraction, disruption or otherwise interfere with the educational environment, during after school activities (e.g., extra-curricular activities), or at school-related functions. Use of PCDs, except those approved by a teacher or administrator, at any other time is prohibited and they must be powered completely off (i.e., not just placed into vibrate or silent mode) and stored out of sight.

However, technology including, but not limited to, PCDs intended and actually used for instructional purposes (e.g., taking notes, recording classroom lectures, writing papers) will be permitted, as approved by the classroom teacher or the building principal.

Students may not use PCDs on school property or at a school-sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.

Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicles, classroom teacher, or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment will not be tolerated.

During after school activities, PCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight when directed by the administrator or sponsor.

Under certain circumstances, a student may keep his/her PCD "On" with prior approval from the building principal.

PCDs, with cameras or any other recording capabilities, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, rest/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The District

Administrator and building principals are authorized to determine other specific locations and situations where use of a PCD is absolutely prohibited.

Students shall have no expectation of confidentiality with respect to their use of PCDs on school premises/property.

Students are personally and solely responsible for the care and security of their PCDs. The Board assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of, PCDs brought onto its property.

SCHOOL SPONSORED PUBLICATIONS AND PRODUCTIONS – POLICY 5722

The Board of Education sponsors student publications and productions as means by which students learn, under adult direction/supervision, the rights and responsibilities inherent when engaging in the public expression of ideas and information in our democratic society. The following speech is unprotected and prohibited in all school-sponsored student publications and productions: speech that is defamatory, libelous, obscene or harmful to juveniles; speech that is reasonably likely to cause substantial disruption of or material interference with school activities or the educational process; speech that infringes upon the privacy or rights of others; speech that violates copyright law; speech that promotes activities, products or services that are unlawful (illegal) as to minors as defined by State or Federal law; and speech that otherwise violates school policy and/or State or Federal law. The Board authorized the administration to engage in prior review and restraint of school-sponsored publications and productions to prevent the publication or performance of unprotected speech.

All school-sponsored student publications and productions are nonpublic forums. While students may address matters of interest or concern to their readers/viewers, as nonpublic forums, the style and content of the student publications and productions can be regulated for legitimate pedagogical, school-related reasons. School officials shall routinely and systematically review and, if necessary, restrict the style and/or content of all school-sponsored student publications and productions prior to publication/performance in a reasonable manner that is neutral as to the viewpoint of the speaker. Legitimate pedagogical concerns are not confined to academic issues, but include the teaching by example of the shared values of a civilized social order, which consists of not only independence of thought and frankness of expression but also discipline, courtesy/civility, and respect for authority. School officials may **further** prohibit speech that is grammatically incorrect, poorly written, inadequately researched, biased or prejudiced, vulgar or profane, or unsuitable for immature audiences.
