

Hello Charger swimmers.

June 29, 2020

I hope you are staying active this summer in some way, shape, or form.

I am sending you this letter to let you know that I am optimistic that our fall swim season will begin as scheduled on Tuesday, August 11.

Since we were unable to have a meeting this spring I wanted to share some information about the upcoming season.

Please read the letter from Chris Nier and complete any necessary items that apply to you.

The weight room will open up for your use on July 6 but contact me to make sure that the time you want to come is an option.

The pool hopes to open on July 20 so you can get in a little water time before season. I'd be happy to write you a "get back into shape" work out☺

If you have any questions about what you need to do or anything else don't hesitate to contact me. 715-581-5104 Or E-mail our Athletic Director at [Cnier@wittbirn.k12.wi.us](mailto:Cnier@wittbirn.k12.wi.us)

Let's Go Chargers!!!

Sincerely,

Rudy
