

WITTENBERG-BIRNAMWOOD HIGH SCHOOL

400 WEST GRAND AVENUE – WITTENBERG – WISCONSIN – 54499

Dear Parent(s),

We are excited to have your child as part of the Wittenberg-Birnhamwood golf program. This letter is meant to give you some information concerning expectations, equipment, and practice scheduling.

Middle school players must have their online registration completed, a current WIAA physical card uploaded and coach's expectations sheet signed and returned to the coach to practice. The athletic code and physical forms are available online on the school website or you may contact our Athletic Director, Chris Nier, with any questions.

Each player is responsible for providing their own equipment. It is recommended that players have adequate rain and cold gear due to the unpredictability of weather during the season. We do often practice in cold weather and in light rain. Golf shoes are not required, but recommended. If equipment expenses are an issue I am sure I can find a loaner set or older set to use during the season, just let me know.

Practices will be held at Maple Hills golf course once the course opens for the season. Middle school starts practice on April 8 and a practice schedule will be given to your child. Golf is at no cost due to the generosity of Marc Stalter (course owner). Travel to and from practice is the responsibility of the player/parent as the school does not provide transportation. Coaches and high school players may be able to give middle school players a ride to practice provided permission is given on the player expectation sheet (players can take the transfer bus to the high school for a ride). During the early part of the season practices may be held in the Birnamwood gym or behind the high school if the course is not open (this will be communicated at the previous practice or via school announcement). Lexi Voss & Brad McKay are the designated JV & middle school coaches and will be the ones working with your child. I will be working with middle schoolers periodically, but my primary focus will be on the varsity/JV teams. We will also try to schedule meets, however there are not many schools that have middle school golf in our area.

If you have any questions or concerns feel free to email me at school or contact me on my cell (715) 219-1207 if it cannot wait. Thank you for allowing your child to participate in this wonderful lifelong sport.

Sincerely,

Chris Bartletti

Wittenberg-Birnhamwood Varsity Golf Coach
