Wittenberg-Birnamwood High School's ACP Day

Wednesday, October 23, 2019

Amongst all your high school visits and travels in the fall, we would love for your school to be a part of our 4th annual Academic and Career Plan (ACP) Day! The day itself runs from 8:00 am-1:00 pm, with a college and career fair happening from 1:00 pm-3:15 pm.

You are more than welcome to come for all or any part of the day. For the foodies out there, lunch will be provided and it has rave reviews!

More information will come in the fall, but if you have any questions or concerns as of now, please contact Nancy or Stephanie. Thank you!

Nancy Resch
Transition/Assessment Coordinator
